PEX

New York, NY

Data Science Intern

Feb. 2025 – Present

- Clean credit data using SQL, improving data accuracy and reporting efficiency in Power BI for enhanced decision-making
- Analyze website traffic with the head of credit, identifying trends and insights to refine data-driven credit strategies

CM Equity Partners

New York, NY

Analyst

May 2024 – Present

- Middle-market, independent sponsored private equity firm specializing in Aerospace, Defense, and Federal Services
- Synthesize financial data, contract wins, and key performance metrics from seven PortCos into quarterly investor reports
- Managed investor communication in \$30 million PortCo acquisition; distributed shareholder agreements and NDAs
- Calculate dividend payments for 50+ PortCo investors, prepared LP dividend reports, and updated ownership structures
- Developed Salesforce CRM: sorted and inputted new target acquisitions for weekly internal strategy meetings

Goizueta Business School

Atlanta, GA

Teaching Assistant, Data and Decision Analytics

Jan. 2024 – May 2024

- Guided weekly office hours, provided personalized assistance, and advanced student proficiency in 200+ student course
- Graded student projects: multivariable regression analysis, logistic regression analysis, and descriptive statistic models
- Assisted professor in revising, and finalizing lesson plans, homework, and assessments while relaying student feedback

LEADERSHIP & COMMUNITY INVOLVEMENT

TAMID Group, Project Manager (Present), Consultant (2023-2024)

Sept. 2023 – Present

- Lead team of seven consultants working with aerospace startup Moonshot: implement analysts' findings to meet deadlines
- Develop CRM through data entry and information analysis; oversee market research of industry-adjacent white papers
- Produced 35-page industry report on the Prefabricated Pre-finished Volumetric Construction Industry for Shapir Group
- Conduct behavioral/technical interviews of new applicants, collaborating with exec team to select the best-fit candidates

Emory Economics Investment Forum, Research Analyst

Aug. 2024 – Present

- Collaborate with a team to produce weekly macroeconomic reports, guiding the club's domestic equity investment strategies
- Lead interest meetings and promotional events with club directors, engaging new members and enhancing campus presence
- Drive club development in inaugural semester, fostering inclusive environment for economic investment and education

180 Degrees Consulting, Internal Analyst

Sep. 2024 – Present

- Source nonprofit clients through email campaigns and introductory calls; secured eight partnerships for the Spring of 2025
- Brought Family Promise on board as a client; now contributing to the 180 team to support the client's initiatives.

Family Promise, Volunteer

July. 2024 – Present

- Provide meals, teach financial literacy, and supply essential resources to help families achieve sustainable independence
- Guide outreach efforts to recruit and engage peers, increasing the organization's volunteer base, boosting positive impact
